Fresh Delivery

I was waiting for my latest toy to be delivered and was getting really horny thinking about what I was going to do with it when the phone rang. It was the courier, who had got himself lost. I gave him directions and then, as an afterthought, asked if he'd have time for a coffee when he arrived. He said he'd love one, so I put the kettle on. I'd just finished making the drinks when there was a knock at the door. I opened it to find a tall, good looking guy with my present to myself in one hand and the paperwork in the other. I invited him in and led him through to the kitchen. He seemed really nice, and I was soon flirting shamelessly with him, making sure he had a perfect view of my tits as I leant across the table to pass him his coffee.

I could feel myself getting wet and a tingle ran up my spine as I saw the size of the bulge that was rapidly appearing in his trousers. I couldn't resist egging him on more, so I opened my parcel. I almost laughed out loud at the expression on his face when he saw my toy – it was

a purple dildo, 12" long and with a girth of 7". His eyes nearly popped out of his head! He wasn't making any effort to leave, so, grabbing the bull by the horns, I stood brazenly in front of him and asked if he had time to fuck me over the table. He didn't even look at his watch, just standing up and undoing his flies there and then. That was good enough for me. I bent over the table and hardly had time to pull my sopping G-string to one side before he slid his cock into my slippery hole. He fucked me so hard that I saw soon gasping for breath, and came within minutes as he rammed into

me, pounding away like his life depended on it.

Before much longer I felt him tense, and I managed to squeeze out a second climax just as he shot his load deep inside me. As soon as he

pulled out I spun round and went down on his semi-hard cock. I licked every last drop of our mixed juices off his shaft, getting him nice and hard again in the process. But just when I thought I'd get another good seeing-to he said that he had to be off.

Sadly I showed him out and then almost ran back to the kitchen. In no time at all I was trying to cram all 12" of my new toy into my hungry cunt. The courier's cum was lubricating everything nicely, and I was soon screaming through another climax. Once I had calmed down I had a shower, the hot water doing nothing to ease my excitement as I played with me tits and ran my hands between my legs. But then I was a good girl, waiting till my hubby got home before I did anything else. He had hardly got in the door before I dragged him to the kitchen

and told him about my little adventure in vivid detail. He said he didn't believe me and demanded proof, so I sat on the edge of the table and leant back so he could take my panties off. He parted my legs and slid two fingers into me. I was still so horny that I came again as soon as he touched my flushed pussy, but he worked his fingers deeper into me until I came again.

"You're a dirty little tart!" he said sternly. Then he got his cock out and gave me another good fucking.

That episode has become our favourite sex experience, and we often talk about it when we're feeling randy. I'm thinking next time I might try it on with the guy who delivers our groceries. He's really cute, with big hands, and you know what they say about guys with big hands!

S NIGHT

LOTTI &
ROXI

Don't worry – neither Lotti nor Roxi are planning on having their Hen Night any time soon, so there's still plenty of time to run into them while they're on the market! But when they arrived for this shoot waving that inflatable cock around, we thought we'd humour them by letting them have a bit of fun with it. Still, there's only so much fun you can have with a toy that size, so it wasn't long before they were playing with each other instead. And then there was another inflated cock in the room!

THE WHORING 40S!

Pumpkin Media have gathered together 8 old slappers who, despite the film's title, have got to average 50+ – not that age has in any way affected their appetite for cock! There's no hanging about, either, with the flick opening with a horny pair writing on a sofa as a couple of black studs offer them their poles to play with – and they really go to town, taking anal poundings like the game old birds they are! And, well, after that it just gets filthier and filthier. Definitely one to check out for fans of the more mature form!

Strap and Tickle

Fed up of watching jammy gits sticking it to saucy mucky films. If "I wish that was my" penis envy is spoiling your bongo experience, then a spot of strap-on action might be just the thing, and flick from Harmony, which features five scenes of girl-on-girl fake cock action is one of the better newer ones we've seen of late. Only problem is, of course, they're not sure when to finish, but as it's always long after me I don't suppose it matters that much!

Dear Julia

I have to confess I don't always agree with your choice of Star Wife, but Lexus most definitely deserved the honour in 36.07. What a beauty – and to think some lucky bloke gets to watch his prick sinking into her glorious pink hole on a regular basis! Let's please have a set of her in the mag itself before long – she definitely deserves more than two pages! Gav, Truro.

Julia says:

We think so too – so we'll be getting on the blower to her soon!

Lex... is more!

DEAR JULIA

Dear Julia

What a treat to see the incredible Michelle Thorne in your latest issues. I've lost count of the number of time I've been inspired by her perfect form, and the thought of sliding my cock between those puffy pink lips of hers is still enough to have me standing to attention in no time! And she's got one of the finest arses in the

business, so if she's ever in this neck of the woods, let her know she's got 8 inches of solid fan meat to play with if she wants it! Mark, Goole.

Julia says:

We'll let her know – 8 inches might just be enough to get her interested!

Dear Julia

Jodie was wondering if any of your readers might care to oblige by slamming their cock into her from behind. I bet there's been quite a response, but as I've written this letter within five minutes of getting home, can I assume I'm front of the queue? Jim, Chorley.

Julia says:

You're close Jim, but not quite first!

Join the queue!

THE SEXT GENERATION

In their quest to find another tenuous theme to unite their scenes, Private have settled in the idea of girls who like to fiddle with their phones. It's pretty bloody flimsy, but luckily the girls themselves are fit as fuck, with

covergirl Aurora being a really stunning ginge for those who like that sort of thing. All the other cuties, meanwhile, take on two cocks each, so no complaints there, siree!

Lacey Lou

For anyone who watched Jane Fonda getting her rocks off in Barbarella at a formative age, Lacey here's bound to hit the right spot, don't you think?! That back-combed blonde beehive and her trim figure make her look like just the sort of girl we'd like to see stripping off in zero gravity. As it is, the budget couldn't quite stretch to a trip to the ISS so we've got her stripping off in normal gravity, which isn't too bad either, is it?

Tasha

We've seen some pretty unconvincing Elvis impersonators over the years, but Tasha Holtz here has got to be one of the least accurate yet. Apart from anything else, she's got a humungous pair of knockers on her, which I'm pretty sure The King didn't have!

"True enough, but I didn't think you guys at Escort would hold my boobs against me – I reckon they more than make up for my fairly terrible singing!"

They certainly do make up for it, Tash. In fact they'd more than make up for pretty well anything we can think of!

our eyes and pretended that there was another girl present in the bed. It added a certain edge that I really liked, but jealousy had prevented me from ever taking it any further.

So when I

promised to make it happen the next weekend, just in time for Stu's birthday, he became very aroused which resulted in our having the most terrific sex that night. The idea of asking Pammy to participate seemed like the best idea, and luckily Pammy was more than agreeable.

Perhaps the biggest thrill for me was that Pammy was into girl sex, something which I had fantasised about years. It felt great to have it out in the open and we agreed to spend some special time together before Stu's party so we would be comfortable together.

On

My best friend Pammy and I share most things, but the one thing I never thought I would find myself sharing with her is my boyfriend Stu.

It's not like I am prudish or haven't sometimes questioned my sexuality, it's just that Stu is special and I want to keep him exclusively mine. So when he asked me to marry him I was so overwhelmed, that in a fit of madness I offered to make his greatest sexual fantasy come true. Or to try to, because it wasn't just up to me. I knew full well he was mad for a threesome.

We had joked about it for ages, ever since the time he was so drunk that he confessed his secret fantasy about having a sex session with me and another girl, and in the midst of our love-making we often closed

question we were initially a bit shy with one another, exploring each other almost gingerly and kissing deeply with a ferocity of passion which I think shocked us both. Certainly I had never had feelings so intense for any other female.

On Stu's birthday night we met with some friends at our local pub, but when it came to club time Stu, Pammy and I went back to Stu's flat to give him his present. The celebratory drinks we had just downed served to relax us and we were in a festive mood as we made our way to the bedroom.

Stu's place is a real "lad pad" with a king-sized bed, so we all three bundled on. There was a

brief moment of awkwardness as we scrambled to strip down to our underwear, but amid the tangle of clothing and limbs our bodies touched and an air of sensuality pervaded our surroundings.

Stu lay between Pammy and me, kissing us both by turn as we stroked his cock and fondled his balls. We also leant across his torso kissing one another while Stu played with our breasts, gently pulling and twiddling our nipples.

My body felt on fire as Stu's hands ran down my belly and began playing with my pussy. Leaving Pammy to wank his straining cock, I ran my hands over Pammy's buttocks and slid them between her legs. Holding her labia apart, I began sliding my finger in and out of her pussy as Stu did the same to me. My fingers slid between her warm wet folds, gliding over her clit as Stu did the same for me, moaning all the while as Pammy grasped and stroked his rod.

We were all panting with pleasure as Pammy and I came together, giggling and gasping with pleasure as we lay back against the pillows. Stu was panting from the exertion of holding

Are we imagining things, or is Jess West particularly keen to show off her bum here?

"No, you're not imagining it!" she grins. "Guys are always going on about how they love my bum, and although I've never really been in a position to fully appreciate it myself, I've grown very attached to it. There's nothing a fella likes more than easing his cock into me from behind and grappling with my arse cheeks as his prick ploughs into my cunt... although actually there is one thing they like more, now I think about it..."

Looking at these pictures, Jess, we think we can guess what it is!

Web Arousing

I love reading your readers' sexy letters and couldn't resist sending in one of my own.

It was a hot night, the night I stayed at my friend's house.

He's helping me with my website and mentioned that another girl was swinging by to collect some photographs.

We were in the kitchen when the doorbell rang and thirty seconds later he introduced me to this incredibly cute girl.

I was immediately attracted

to her in her tiny short skirt and boob tube. Her nipples showed through the thin material and I couldn't help but stare.

She'd brought her fella with her and while he and my friend were pouring drinks, me and Kelly got chatting in the corner.

She said it would be fun if we went into the living room and teased the boys, so we put it to them and they followed us through.

We began kissing and fondling each other and told the boys to video what we were doing.

She slipped her tongue into my mouth, then whispered it would be in my cunt soon.

This sent me wild and I couldn't wait until she was sitting on my face.

She slid her hands up my skirt and pulled my knickers

aside, then began fingering me.

In turn, I pulled her boob tube down and sucked on her tits as hard as I could.

Kelly evidently loved this and pushed me down onto the ground, then straddled my face.

I ripped her wet panties off and shoved my face into her dripping pussy.

I licked her juicy slot then shoved my tongue in as far as it would go.

Kelly was doing the same to me, so I began fingering her cunt, and then her arsehole, to see how she liked that.

Kelly bucked her hips, so I concentrated my tongue in her clit and sucked her off until she had

an enormous orgasm all over my face.

Watching and tasting her cum just set me off and a moment later I was climaxing against her hand.

The guys zoomed in on my face as I came and told me afterwards that it was the horniest thing they'd ever

Aloha, Sarah Jane! Ahem, and despite the rather unconvincing bamboo shack and the fake coconut, there's no getting away from the fact that Sarah here looks like just the sort of fertility goddess that many a Polynesian culture would worship! A blonde woman with long hair is posing nude, sitting on a black mat with a green border. She is wearing black arm sleeves and a small diamond belly button ring. She is looking towards the camera with a slight smile. In the background, a red and chrome motorcycle is visible. The image is framed with a white border and a grey and white checkered pattern in the corners.

Hello, we've just had Bonnie and her love for men on wheels, so what's this – are you in the same camp, Jenny?

"Not really, no! I used to go out with a guy who had a motorbike, and I would ride pillion, but I was always so paranoid about falling off I used to cling on to him for dear life! I'd always end up with aching arms and thighs after a long journey, although I'd usually end up with a dripping pussy as well, so it wasn't all bad! It was just hard to get the leathers off so he could get to it!"

REAL WIFE SEX

story continued from page 23

back and he quickly rolled on-top of Pammy, and slid his cock inside her splayed cunt.

I felt displaced and a little sad until Pammy asked me to sit on her face so she could tongue me. As I moved astride her face I could feel Stu's thrusts each time he slammed home inside her dripping hole. It was

incredible, and when he began to lap at my ring and finally push a tongue deep inside my arse I felt my pussy quiver and started to come on Pammy's mouth.

She squirmed beneath me, coming on my boyfriend's cock as she bucked beneath me. Once again we rolled apart, gasping for breath after our orgasms.

This time Stu almost lost control but

just managed to hold back, and then he asked Pammy to lie on her back and positioned me on my hands and knees facing Pammy's pussy. Then he moved behind me, grasping my buttocks and nudging

his cock against my wet pussy.

"Lick her," Stu whispered in my ear, and as I bent down to do so he pushed his cock deep inside my hungry hole and began

fucking me. In and out he rammed his cock slow and hard, pushing it in to the hilt with each thrust. My pussy quivered, gripping his shaft as his cock slammed into and filled my pussy. I dropped my head and began licking Pammy's

pussy as hard as I could. Holding her slippery flaps apart I tongued her sweet pink depths. Scooping out her delicious pussy juice I teased her sensitive slit, making her thrust her hips as I pleased her.

It was the most extreme form of pleasure I had ever experienced, and I savoured every second

of it, enjoying the fact that I could give pleasure at the same time as receiving it. Stu groaned as he reamed me from behind, and as his hands grasped my hips his thrusts came harder and faster. Pammy was also loving it and she reached up and began playing with my tits as I switched from using my tongue for my fingers.

I began frigging her in time with Stu's thrusts, making her squeal. Just then, Stu slowed down almost to a stop, before suddenly slamming back inside me and blowing his load deep inside my pussy. As I came I pinched Pammy's clit and she began coming again too, her pussy squirting her sticky juices while my pussy clenched and milked Stu's cock.

When we were all spent, we lay back together stroking and petting one another, babbling in our excitement as we set up another date for the next weekend, and it's been a bit of a regular thing ever since...

Tattoo-loving Notts babe Adreena, we managed to work out from looking at the tatt on her leg, likes to stand up for what she believes in – and quite right too! But thankfully, as far as we're concerned, at least, she also likes to stand up and take her togs off, revealing her delectably pink pussy and some bullet-like nips that are just dying to be chewed on! Yep, they are dying to be chewed on, but you'd better take care of my clit first!"
Oh, alright then, if you insist!

Mel's Kitchen

A woman's place is in the kitchen, huh? Normally, I'd disagree, but then I was at a dinner party last week where I wouldn't have been anywhere else.

There were a dozen of us, guys, girls and couples. We'd had a lovely meal and I offered to help clear the table. I figured if everyone pitched in, we'd have it done in no time.

Typically, only me and the girl whose party it was, actually did anything. Everyone else went off to the balcony.

"You know what that lazy lot are like," Mel said, pouring me some wine.

I took a sip and Mel pressed her body against

mine.

"Besides, we can have some fun without anyone knowing," she said.

I'd heard about Mel and her penchant for pussy, but I'd always thought it was just a rumour.

Mel kissed me on the lips and felt my breasts. My nipples stiffed against her fingers and my pussy tingled inside my panties.

"I'd love to lick your cunt," she whispered, so without further ado I hopped up onto the counter and pulled my skirt up. We had to be quick as anyone could've walked in at any moment, but that just added to the thrill.

Mel dipped her tongue between my lips and stroked it inside me.

I gasped as I felt her wriggling against my

folds and bit my finger when she began circling my clit.

She dabbed the tip of her tongue against my love button and stroked a finger across my puckered arsehole, making me tingle in the most wonderful way.

I opened my eyes and watched as she licked

between my legs. It was the most erotic thing I'd ever seen and I came on her face in that instant.

Mel slurped it all up and rubbed her fingers over my clit until I came some more.

I was just cumming for the last time when Mel's husband walked in and caught us both at it.

“I wondered what was keeping you,” he chuckled, then went back to the balcony! I was embarrassed but Mel reassure me he wouldn't say anything. “Not if he wants his blow-job tonight.”

I'll let you guess which one of us gave him it.

Anna, Brighton.
